#### POWERFUL BINDING LOVE SPELL

Binding spells are used to bind (or hold) things. The usual reason for this is to bind a person or spirit to prevent it from doing damage to yourself, someone else, or itself. Care must be taken when binding spirits since they will almost always bind to the caster, and you must have a plan for it after it is bound. However, if you are skilled enough to cast a binding spell you will also be skilled enough to handle any bound spirits.

#### MEND A BROKEN HEART SPELL

Get the help you need to start moving in a more positive direction. You have been through the hard part of trying everything you could think of and nothing worked. You have gone through the break-up, and you realize that there's nothing left to do but to move on. But, your heart has been broken and you don't know how or where to start and move on".

#### STOP A DIVORCE SPELL

When I cast this spell, a powerful energy will emerge in order to make your lover stop to have these thoughts about ending your relationship. Be it to save a marriage or a love relationship, this spell can change the course of your love life, and rekindle the flame of love between your lover and you.
