1. *DO NOT plead guilty at a preliminary hearing. If necessary, you can always plead guilty at a later date. But once you plead guilty it is too late to go back. If you later have to plead guilty, tell the lawyer you only want to plead to a misdemeanor, or what is called "a lesser included offense." THIS IS IMPORTANT! Remember that your lawyer WANTS to do good, but is probably very busy. Tell him you will pray for him and pray that he will be able to help you.

2. *Make sure the lawyer understands that there are many people who have about you. If there is anyone who could speak about it is not a good thing life good character, such as a pastor is a good day for your coach, teacher, neighbor, employer, or youth group leader, have them write a letter telling the lawyer they would testify the word to the public and they will be fine with the tremendous success rate of the same to your good character. BRING these letters with you to the lawyer. Before you give them, anoint the four corners of each letter with Court Case sachet powders and recite the 35th Psalm over them

3. *If the lawyer refuses to meet with you or breaks appointments often, you may need to write a letter of complaint to the chief public defender. If this does not work, you may need to tell the Judge that you are "not getting adequate representation or effective council." Use these words — but only if all else has failed, because this is risky.

4. *Lastly, if the case is going to trial, here are seven things that have helped folks in the past:

*First, you MUST recite a powerful chant that anyone who has been hurt in any way by this case will forgive you. If you are Catholic or work with Saints, recite chants especially to El Nino de Atocha

*Second, recite Psalm 35 aloud at least once a day with my powerful mulamula potion, for your own good . If you believe that someone is working against you, you may also wish to recite Psalm 35.

*Third, If any papers are given to you to sign, or you get to hold onto any letters that you or your representatives will send in on your behalf, dress them lightly with my powerful legal Case powder potions, then drag your fingernails through the powder in "wavy snake lines" to mark them, and brush off the excess powder.

*Fourth, burn my brown wican candles as you recite the Chants that i will tell you.

*Fifth, before going to court, get some herbs to carry and a mulamula portion to Chew (also known as Galangal or Court Case Root) to chew while you are in custody so that the judge will favour you.

*Sixth, before or on the day of the court appearance, get yourself a potion of Lulimilumu and slit it open. Get a piece of paper and on it write the name of anyone who will testify against you. Write it nine times. Put the paper under your tongue with red hot pepper and pin the tongue with nine pins or needles, so it is

Seventh, either begin nine days before your court date to burn my powerful herbs in two portions over a pan of water and wash your face with that water on the day of your court appearance, or if it is too late for that, then on the day you go to court, bathe early in the morning with my powerful Court Case Bath herbs dissolved in your bath-water or wear clothes (socks at the very least) that have been rinsed in water to which Court Case Bath herbs have been added. You may combine these two bathing and washing rites if you wish.
