Safe Abortion Clinic 073 942 3917

Andriew Woman's Clinic is a Registered and Accredited Facility for SAFE and LEGAL ABORTION SERVICES around South Africa; we're an abortion clinic performing first, second, and late term abortions. Also offering abortion pill, morning after pill, day after pill. Our mission will always be to provide all women and their families with the highest quality abortion care available at the lowest possible cost Most people's biggest worry when they need women care is how much it's going to cost. You don't need to stress about that at Andriew Women's Clinic. Our focus is on providing the best value treatment for you while not skimping on the important stuff; like materials and equipment that make your visit fast, comfortable and predictable.

Highly Effective – When taken correctly, the pills successfully end pregnancy in most cases without medical intervention.

Low Risk of Complications – The most common side effects are cramping, bleeding, nausea, and fever, which usually resolve on their own.

Safer Than Unsafe Methods – Self-managed abortion with approved medications is much safer than using unregulated or harmful methods.

Medical Support Recommended – While it can be done safely at home, access to emergency care is important in case of heavy bleeding or otHis rare complications
