ATTENTION!! ATTENTION!! ATTENTION!!

We are proud to announce that we have a new addition to the JVR Family.

JVR Discount Store is a start-up discount store that stocks a wide variety of well known merchandise that we purchased from well-known manufacturers such as Defy. The appliances are factory damaged, box damaged, demo appliances and end of range appliances. All our appliances are sold at discounted prices and are affordable to the general public.

Most of these items can still be classified as new although the box is noticeably damaged. Demo appliances stock consists of appliances that have been used as display or demonstrator models offering our customers peace of mind on any and all purchases and end of range models.

Scratch and dent appliances are brand new products and these out-of-carton pieces have slight cosmetic blemishes, often in areas that will not be visible, allowing us to sell of them below regular dealer cost.

JVR Discount Store gives you the power to stretch your Rand beyond breaking point on all our household appliances bound to surprise and delight of the whole family. Why not give your home a 5 star makeover?

JVR Discount Store is the place where customers can discover treasures at ridiculously low prices every day and can browse and discover treasures at a fraction of the price.
