At LEB INSTACON, we specialize in supplying 34-ton super link side tippers for the transportation of bulk commodities across the industry. Leveraging extensive advertising, we secure some of the best rates in the market – allowing us to offer competitive pricing to other transporters. We provide both short-term and long-term contracts, including C.O.D. work. LEB INSTACON also offers weekly and monthly rental options for 34-ton side tippers. For full rental terms, please refer to our rental agreement available on our website. Transporters are welcome to rent a complete rig (horse and trailer) through us. All trucks and trailers must undergo inspection at our yard before being placed on suitable contracts. We also employ Code 14 drivers with valid PDPs, each with a minimum of 5 years' experience. Additionally, we have access to flat deck and drop-side super link trailers to suit various haulage needs.
