Rare Vintage Chevy Pickup project for sale

All steelwork and rust repair has been done

Body fixed with sheet metal, lead and brazing and is all metal

New fabricated load bin to original dimensions

New Chevrolet Name stamped on tailgate

Chassis has been boxed in order to handle V8 conversion

Front independent suspension with disc brakes and power steering box (Nissan)

Chevrolet Apache diff installed

Original diff and suspension included

Original bumpers, windshield frame, door handles and window winders (supplied loose)

Original grille in good condition

Original steering wheel and column (to be fitted)

Original bench seat frame (to be upholstered)

Original engine (still turns by hand on crank pulley but will probably need overhauling)

Original gearbox (condition unknown)

Currently on original steel wheels

4 Original hubcaps included (must still be restored)

The bakkie is currently on grey primer but the detailed bodywork will have to be done before paint.
