Launchkey - the controller keyboard for electronic musicians

Launchkey is a range of 25, 49 and 61 note controller keyboards with up to 50 physical controls. It includes 16 velocity-sensitive three-colour launch pads that both trigger and stop clips and scenes in Ableton Live and allow expressive playing in the drum rack. Launchkey includes Ableton Live Lite 9 to allow you to make music immediately, as well as Novation Bass Station and V-Station synth plugins for even more creative possibilities. For even more value for those that need it, connect Launchkey to your iPad (Camera Connection Kit required) and enjoy deep integration with the free Launchkey and Launchpad.
