Ukuthwala Ube Nemali – by Dr. Esatu

In traditional African spirituality, “ukuthwala ube nemali” means spiritually opening the path to money, prosperity, and financial luck. It focuses on removing spiritual blockages that cause a person to work hard but see no financial progress.

According to Dr. Esatu, this practice is not evil or harmful. It is a sacred spiritual process aimed at restoring balance, reconnecting with the ancestors, and allowing blessings to flow naturally into one’s life.

What this spiritual work focuses on

Opening financial luck and prosperity

Removing spiritual blockages and bad energy

Restoring harmony with the ancestors

Clearing envy, stagnation, and misfortune

Attracting success in work, business, and opportunities

Dr. Esatu's teaching

Money does not come from spirituality alone. Hard work, discipline, respect for ancestors, and good character must work together with spiritual alignment. When financial luck is opened, your efforts begin to bring visible results.

This work is done with respect, guidance, and pure intention, without harming anyone.
