Love Spell – by Dr. Esatu

A love spell is a sacred spiritual practice used to restore love, heal broken relationships, and reconnect hearts that have been separated by misunderstandings, distance, or negative spiritual energy.

According to Dr. Esatu, true love spells work by removing emotional and spiritual blockages, allowing love to flow naturally again—without harm, force, or manipulation.

Important spiritual truth

Love spells do not replace free will. They clear the path, so if love is meant to return, it comes back stronger, peaceful, and genuine.
