Binding Spells – Powerful Traditional Healing
 Binding Spells

By Dr. Esatu – Powerful Traditional Healer & Sangoma (Online & Worldwide)

Binding Spells are sacred spiritual works used to hold, protect, and preserve what is important in life—love, marriage, luck, success, and stability. Many relationships, businesses, and destinies collapse not because of effort, but because they lack spiritual holding power.

Without proper binding and protection, longevity is difficult to guarantee.

What Are Binding Spells?

Binding Spells are spiritual acts of influence and protection performed using ancestral guidance, traditional herbs, and ritual knowledge. They are designed to secure love, seal luck, and prevent loss caused by jealousy, bad luck, or spiritual interference.

Why Luck Matters in Life

Luck is a spiritual force that follows a person like a shadow or perfume—either attracting good fortune or repeated loss.

Before checking love, business, or health, I first examine luck. When luck is aligned, everything flows. When luck is blocked, even the best efforts fail.

Now you understand the importance of luck.

Patterns of Life and Luck
 Poor Pattern

Hardworking people moving from job to job, struggling financially despite effort. Money arrives only to disappear immediately. This pattern often comes with illness, stress, and frustration. Without spiritual

assistance, enjoyment of life remains difficult.

Middle-Class Pattern

People who appear successful but are constantly under pressure. They maintain an image of success while slowly declining. They live close to opportunity but cannot access it fully. My binding and luck spells have helped many in this group stabilize and rise.

Rich Pattern

Those born with strong luck and destiny. When activated, wealth flows naturally, competition falls, and leadership emerges. This is the pattern of abundance, authority, and lasting success.
