In fact, it's not one spell that we will discuss here, but many spells. Each spell can have a specific effect on the physical world. In some cases, if you cast the right spell to have your following hairs fall from someone's hair, or make someone's hair fall, you can make their hair fall off. If you cast the opposite of the same enchantment, the use of hair from part of the body, cause to grow back dense skin.

For the most powerful spells of this category, know that you can also make someone blind or deaf.
