We deliver services to world wide on line 24 hours

We can reach into and travel these skylines of electromagnetic energy that connect us all and clear the blockages and interruptions away allowing for spiritual or herbal healing, growth of consciousness that has been stopped up by oneself or by others across time and space, and the recollection and integration of one's true self where healing waits within.

We also do soul retrieval to heal a person from spiritual issues. We believe that all spiritual problems come from losing power or giving power away to something or someone. It may be spirits from the Inner World that you have traded your soul power with to get fame or fortune or love. It may be a living being who has an energetic cord attached to you and is sucking part of your soul away. It can be a generational soul loss that happened many years ago with your grandfather or great grandmother that you are not even aware of that has taken away part of your family soul. Soul loss can also be caused by a traumatic experience, a car accident, a sudden death in the family, a violent crime. These things can lead to a loss of vital power or soul loss and must be restored to bring healing of spirit back .

We use our powerful ancestral spirits to retrieve the lost portion of soul. Our spirits travel to the appropriate Inner Worlds and barter, negotiate, deal with the possessing entities to retrieve the soul. They will travel deep into the inner worlds with the intention of retrieving that soul portion that is missing.

Usually the ally knows right where it is and who is holding it.

A lot of times our spirits meet some gruesome characters there who are not willing to give up the soul portion because it provides them with life essence, with grace, the one thing humans can amass and take with them from lifetime to life time. These entities cannot become human, but oh, how they want to! They will do most anything to get a human to give up part of their soul. They offer humans, riches, and love and business success, material wealth and fame for a soul.
