Ancestral Calling, Sangoma Training & Ukuthwasa Process

Many people feel a deep spiritual pull in their lives — a calling that cannot be ignored. In African traditional healing, this is known as an ancestral calling, a sign that your amadlozi (ancestors) are guiding you toward a path of spiritual service and healing.

When you answer this call, it often leads to Sangoma training and the ukuthwasa initiation process, where you learn to heal, guide, and serve your community spiritually.
