Product Overview

The ADATA DashDrive HV620 USB 3.0 External Hard Drive offers 2 terabyte of storage capacity, with a sleek and glossy housing that is as easy in the hand as it is on the eye. The latest specification USB 3.0 Super Speed interface provides the power and speed needed for conventional storage and backup applications. A raised lip on the edge of the drive protects the lustrous surface from scratching when the drive is laid flat. A bright blue LED lets you know when data is being read or written to the drive which helps prevent disconnection during read/write operations, The compact profile and smooth lines make it a likely choice for professionals and home users alike as this drive is capable of delivering the blazing fast transmission speed consumers have come to expect from ADATA.
