We respect the confidentiality of all patient interactions. If you choose to include your spouse, partner or friend in your visit to our office, we will welcome their participation and address any concerns that they may have. If you choose to maintain strict confidentiality, we will support you in this decision. Our personal dedication to abortion services continues to ensure that women maintain the right and the opportunity to choose to have an abortion. The right to choose means that women have the moral, legal and psychological authority to decide, because they are the ones who become pregnant and give birth. We are proud of our reputation for being a medical office that treats each patient with distinctive care and respect. When women need abortion services and search for abortion clinics, they trust the caring professionals at our Health Abortion Clinic. Our focus is on giving women the help they need to be reproductively healthy throughout their lives. We offer experienced, skilled and confidential service that you can count on. Our highly trained staff is extremely patient friendly. We go out of our way to make you feel comfortable during an emotionally stressful time because we understand what it is to have an unplanned pregnancy. And we know that deciding to terminate a pregnancy can be one of life's most difficult choices but if you have made that decision, be assured that you are not alone. You may be confused and uncertain where to go for help. It's important to seek the help of professionals with experience in this area, and who care about your overall health and well-being. Our professional

expertise will provide private and confidential one-on-one treatment and will support you every step of the way.

You will receive the highest quality care for your reproductive health needs from highly skilled
