By Chief Bengo – Heart-to-Heart Bond

What Is a Soulmate?

A soulmate is someone with whom you share a deep emotional, spiritual, and heart-centered connection. This bond goes beyond attraction or circumstance—it feels familiar, meaningful, and powerful. Soulmates often come into our lives to teach, heal, and transform us through love.

Even when separated, the soulmate connection often remains strong.

Feeling spiritually connected or energetically aligned

A sense of familiarity or “home”

The desire to grow, heal, and evolve together
