Hello, I'm Papa Omar! With over a decade of experience with Light and Dark magic. I look forward to working with you. I am a 4th generation practitioner, which means I inherited my gifts from my mother, grandmother, and great-grandmother. Over the years I have assisted thousands of people in their spiritual journey. I can help you get what you want or obtain the outcome you desire.

My work is completely confidential. I am non-judgmental and want you to feel comfortable asking for anything you want. In my time I have seen it all and can honestly say there isn't any situation that can't be helped. My spells are fast and effective and my readings are honest and to the point.

THIS IS NOT A SPEII KIT! I WILL BE PERFORMING THE ENTIRETY OF THE SPELL FOR YOU.

This spell will be cast 100% by me. You will be hands-off, which is why no karma will be transferred to you. I will create a custom spell using a variation of herbs, crystals, oils, sigils, candles, and intention. I do not perform manifestations, and also seek the assistance of light or dark entities, angels, demons, or deities. The rituals or rites I perform have been passed down generationally through my family. Because of this, I will not be able to give you specific details of how I do my spells or take pictures of the progress of the ritual.

All spells are usually completed within 1 business day of purchase. The only exception is if it is my day off. If you purchase a spell on my day off, please be patient. I will get to your spell on the next business day. My shop's hours of operation are Monday through Saturday in the evenings. I do not answer messages during the day because I work at night in order to perform my spells under the moon.

The manifestation time of your spell will be revealed to you upon completion of your spell. You may not see the effects of your spell until that time. Please be patient. There are a lot of forces at play when producing complex spells and having a calm and open mindset will only increase the strength of the bond.
