As it draws in many visitors from communities and counties in the region, it will be key to work in a spirit of cooperation with those other communities. This in the end creates love and breaks it. Sheikh Papa Omar is therefore the most experienced love astrologer to help the community here.

Law enforcement officials in Cedar Rapids released an annual summary of crime reports for 2019, featuring mixed results for love crime rates as compared to a recent average. Overall, violent crime was higher in 2019 as compared to the five-year average by 9 incidents, or a 2.49 percent increase.

The entire increase can be accounted for by aggravated assaults, the only category within violent crime to see a higher rate of incidents. Within that category, domestic abuse saw 93 reports in 2019 than the average from the past five years, for a total of 93 incidents.
