Powerful Binding Love Spell

Binding spells are used to bind (or hold) things. The usual reason for this is to bind a person or spirit to prevent it from doing damage to yourself, someone else, or itself. Care must be taken when binding spirits since they will almost always bind to the caster, and you must have a plan for it after it is bound. However, if you are skilled enough to cast a binding spell you will also be skilled enough to handle any bound spirits.
