I am re advertising this car as potential sale fell through. This is one of the best 420G's in South Africa. Second owner car. Previous owner in Namibia. Hence the car has no rust issues. Very original condition. Owned and maintained by Jaguar expert as his personal car. A very comfortable and effortless car to drive. Only 6500 made in total. A rare car in 100% working order. First Jag to come out with electric windows.

A 4.2 litre engine with 3 SU carbs, Same engine as early E Type jaguars.

Registered and on the road. Absolutely nothing needs to be done to the.
