Hi there Girls and Boys, are you at the age of 18 and up, white, still in school or university, and wondered if there was a way to earn some money to pay for your studies? Well if you own and sleep on a pillow this ad is for you.

I am seeking young white ladies and guys who would be prepared to meet up and let me sink my face into your soft, fluffy pillow and make me breathe in your sexy gorgeous scent from it and make me orgasm and cum because of it while edging my *****, spanking or breeding my *****.

Your pillow and its scent must be a Goddess and God to me and the only air I breathe in must be through it.

Rules

! You must be white

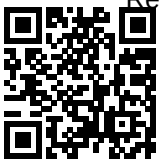

! Your pillow must be slept in by you and in a pillowcase that has been slept on by you for at least four days or more

! You need to be strong minded enough to keep your pillow on my face for ninety-nine percent of the time we are together. Bring something to tie your pillow to my face

! Giving me handjobs, fucking or spanking my ***** or anything to make me orgasm as much as possible is required

You will receive a sum of fifty grand per twenty-four hours that your pillow is attached to my face, and the air I breathe is only from it

Regular pictures of the pillow that I am going to worshiping must be taken and sent to a email address given to you in a reply to your response to this ad
