Hi everyone! If you want to buy a brand new 5s, and you got to this page, then I advise you to contact me immediately to get it :-)

Before I say anything about this device can we please agree about one thing, if you / or I / or anyone! Buy any device from Vodacom, MTN, Cell C etc. the first thing theyâ€™ll do is open the box. And they do it (to ensure all parts are there and that the device isnâ€™t faulty). Thatâ€™s the device lâ€™s advertising, its box is open for the above reasons AND NOTHING ELSE. The device was NEVER USED and its manufacturerâ€™s plastic cover / protector is still on it. I hope this is clear, and lâ€™m more than happy that you check EVERYTHING in the phone before you buy it:))

Brand new, in the market it is sold for NO LESS THAN R6000 (R5 999 to be exact), itâ€™s YOURS FOR ONLY R5000, and it got 1 year warranty. I would really really appreciate it if no time wasters contact me:)). PRICE IS R5000.

CASH ONLY!
