Before I say anything about this device can we please agree about one thing, if you / or I / or anyone! Buy any device from Vodacom, MTN, Cell C etc. the first thing they'II do is open the box. And they do it (to ensure all parts are there and that the device isn't faulty). That's the device l'm advertising, its box is open for the above reasons AND NOTHING ELSE. The device was NEVER USED and its manufacturer's plastic cover / protector is still on it. I hope this is clear, and l'm more than happy that you check EVERYTHING in the phone before you buy it:))

Brand new, in the market it is sold for NO LESS THAN R6000 (R5 999 to be exact), it's YOURS FOR ONLY R5000, and it got 1 year warranty. I would really really appreciate it if no time wasters contact me:)). PRICE IS R5000.

CASH ONLY!
