

PROPERTY ON PRIME LAND

Location **Gauteng, Midrand**
<https://www.freeadsz.co.za/x-38446-z>

The house can be converted to an Old Age Home and has been done already but not completed, still some work to be done to complete. Property can be used for Car and Truck sales or a security company, as the height is the good factor for position and the house is built on rock, so the ground plain area is very good for broadcasting on short-wave radio up to 100 kms and more. So many uses! Even a small shopping centre can be built on the property. The property is in the prime area of Lambton, in Germiston. My reason for selling is that I want to move down to the South coast.

Price: 3 Million.
