New stock!! Elegant simplicity.1,85ct lab cr diamond,18ct gold plated,solid engagement ring.size 7.

1,85 carat Solitaire Lab Created Diamond Engagement Ring. Boasting a 1,85 carat Brilliant Cut solitaire on a split shank. Its simplicity sets it apart from the rest. this ring is sure to leave an impression wherever you go. Electroplated 3 times in rose gold plated for the ultimate shine, durability, and presentation. All stones are prong set not glued.Our 'Lab Created Diamonds' are made under precise controlled conditions, the diamond grows, atom-by-atom, layer-by-layer, recreating nature's process. Both undergo the same cutting process. Both are polished using the same equipment, technology, and techniques for maximum faceting; but our diamonds look much better than mined diamonds because they have excellent cut, color and clarity.

We deliver across SA via courier door to door,1-3 working.
