Citroën C2 VTS 2007 1.6 model with 92kw and 180000km on the clock, just spent R12000 on the engine. I have the slips to show. The car is in every day use. Looking to swop the or sell the car. One of the censor on the exhaust is not reading, I was told that could be cancelled out on diagnostic tool and driver side strut still needs to be replaced. Full exhaust done and will sell the sound with depending on swop or price. Whatsapp me on 0729766338 for pics and info. Price is R50000.
