

Line Array (159000 R)

Location **Gauteng, Midrand**
<https://www.freeadsz.co.za/x-41570-z>

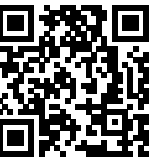

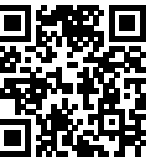

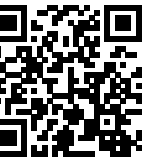

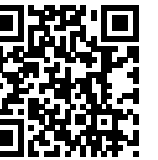

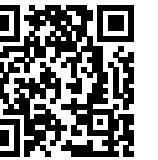

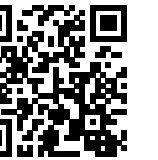

Medium-size active line array for concert halls, night clubs, houses of worship and other medium to large size venues. Each array comprises an active sub unit and a set of 4 full range active wide dispersion enclosures. The entire system can be tailored to the venue or application via a PC link, editing the internal DSP controller for crossover, filtering and gain characteristics.

- Fully integrated active system
- High output dual 12in sub unit
- 3-way, wide dispersion mid-top cabinets
- High bandwidth ribbon tweeters up to 40kHz
- Mounting/flying frame with adjustable rigging angles
- Overload, overheat, DC and output maladjustment protection
- PC software supplied for management of crossover, equalization, gain and dynamics control

Includes Both Sides
