Dining Room Table

This piece of furniture is a beautiful, sleek design, perfect for bringing many features to a space. It will enhance the living space with the size of the table.

- Tempered glass
- Silver steel table legs
- table leaf extension, which more people can join the table

The great thing about this table, it doesn't serve only as a dining room table, but also can serve as a board room table, if you want to project a modern- looking business.
