Due to time wasters, this car is back for sale! Hopefully this time for the last. Well basically the car is running and driving with valid license and papers. The car is a 1.8 ,with a 5 speed manual gearbox. Grey leather seats, newly fitted windscreen, electric windows(all working) with a new mechanism on the drivers side window, power steering, and lots more. The car has its logbook n manuals. I want 28500 with the 18inch rims with brand new tyres, alternatively I can put the original rims back and then I want 26 000. Drivers seat got wear and tear, a injector seal must be changed(already bought, jus needs labour) and the gear lever linkages Mus be replaced soon (R300 at Audi). Also a new key casing (R200)

other than that the car might need a service(usual thing to do wen buying a second hand car)

for the price and condition, this is bargain.

i am in rossetenville, in jhb south
