My name is Renoux. I would like to know if you are willing to sell me the vehicle on a month to month payment plan? I can afford to pay R1000 for the first 5 months and R2000 there after. You will ofcourse hold on to the registration papers till its paid up completely and I will renew the disc each year out of my pocket and we will both sign an airtight contract that states that if I default on even one payment you may phone the police and report the vehicle stolen. I have proof of address and payslips and bank stats for your perusal. The reason for this is because I was retrenched early last year and have finally found a job but I require a vehicle to get to work and back but am now blacklisted. I live in Benoni and I am very desperate. Please consider my offer. Renoux -
