

Daihatsu Charade engine block - 03999 - 2008 (3000 R)

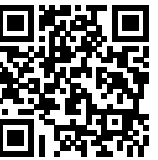

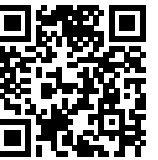

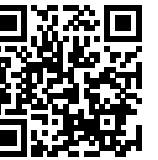

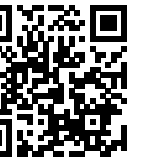

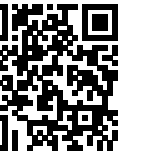

Location **Gauteng, Pretoria**

Vehicle scrapped due to accident damage. It had only 93000 km on the clock. I have the legal owner's registration papers so you know its not stolen. You get exactly what you see in the pics including the clutch and flywheel assembly still bolted to the crank - as you can see the cylinders are near perfect with no ridge. Suitable for fitting to vehicles with an EJ code engine as standard including Charades and some Sirions. Cash only.

Call/Whatsapp Lawrence.
