Beautiful
 SUV always been my favorite out of the Audi SUV range. Unfortunately we have to sell as we needed something bigger. I know that sounds out of the ordinary as the Q7 is the biggest SUV in its class.

Some Specs:

3.0L diesel
 Automatic with S mode and Tiptronic
 Cruise Control, also distance cruise control (automatic braking and speeds up automatically using from sensors while in cruise control)
 8.3L per 100km
 ABS all round
 All wheel drive
 Adjustable suspension from dashboard (sport,dynamic,comfort,high)
 Traction control
 6 seater maybe 7 seats
 Almost everything can be done at a touch of a button.
 20" Mags
 Xenon Headlights

Really is a great SUV real head turner especially in Black and very well looking. Perfect for a family or for the one who likes going to the beach. Best for the off road Sporty SUV. Also has a media console for steering.
