the car is in good condition inside and out only needs a clutch
 the car is full house with e/w, p/s, ac leather seats and the original Chrysler sound
 the car is very fast, reliable and quite light on fuel for a 2.0L
 the clutch kit costs R3500.00. i cannot afford to repair the car.

i am looking to get R20 000.00 for the car or to strip for parts the car is still 100% complete

swops will be considered

please call me after working hours or sms or whats-app during the day if you require any further information
