Hercules RMX2 DJ Console Premium TR Controller, Retail Box, 1 year Limit warranty
 DJ Console RMX 2 Premium TR-Metal DJ controller for performance & mobility

Product Overview

The new Hercules DJ Console RMX 2 is the newest two-deck/two-channel digital DJ controller that is sturdy all around designed to last with solid metal build quality throughout, this very compact unit is easy to throw it in a laptop or backpack to take it with you on the go.

The Hercules RMX 2 is a fully MIDI-mappable DJ controller that can work with almost any DJ software out on the market today and already comes with Traktor LE 2 that is the introductory version of the powerful, award-winning DJ software Traktor Pro included in the box

It also includes a premium bundle, including: - An audio cabling set, to get even more out of the DJConsole Rmx2's connectivity and a style kit, to change the controller's look and enhance its visibility in dark and low-light conditions. The RMX 2 controller has lots of good features that any new or beginner DJ's will appreciate that wants a long-lasting unit with everything you need to DJ right in the box.

The DJ Console RMX 2 Premium TR is a well-built and compact controller with a standalone mixer, four high-quality CD players, access to the world's best music and lets you play their DJ sets with features such as:

- Four decks of four touch-sensitive pads, allowing users to trigger effects and jump to a song or drop the track with their fingers, or modulate controls by pressing the pads gradually.

- VU-meters on both decks, showing each track's playback level.

- Pressure-detecting jog wheels, allowing users to scratch or move through tracks as naturally as on vinyl
