

Haywire Hair dye is a non-toxic hair dye in 18 different colours which is mixed with conditioner and easily applied. It does not damage the hair if left on longer and acts as treatment.

Haywire hair dyes are the only brand of hair dyes that come in 18 tried and tested colours! We are the only suppliers who exchange defective dyes.

The lighter the hair - the brighter the colour.if your hair is dark we advise you bleach first.We also sell highlight kits R50 each and we also do bulk orders on products for salons/retailers

Our dyes come in full 100ml tubs - each tub guaranteed to do a full head of hair...All products come with detailed instructions and we are available for any queries.

IF IT DOESN'T SAY HAYWIRE IT IS NOT.BEWARE OF CHEAP IMITATIONS!

Only R70 each for 100ml tub/R450 for a 10 set any colours

Why choose Haywire instead of cheaper dyes?We offer a complete range of Haywire hair products which is manufactured under our name.We offer expert advice on any salon products,our dye comes with a quality guarantee and we also sell a HUGE range of other hair/nail/beauty products including

maintenance products for funky neon hair dyes all at VERY AFFORDABLE AND COMPETITIVE prices. These products are not only used by the suppliers, but also in their products.
