This wedding dress was never worn before. Three months before our wedding last year November I changed my theme, dress and venue. The dress will fit someone perfectly who is a size 6-8. The dress is covered with Lace. Pearls were hand stitched on the bodes. The back of the dress has illusion material for comfort and bring a modern twist but is still classic and elegant. This is totally invisible against the skin as seen in the pictures. I stay in Pretoria if you want to arrange for a fitting/viewing. The cost of the dress was R14,000 but I would like to sell it for R10,000 because it is brand new and certainly not what you will find in the general wedding boutiques. Petticoat.
