Wedding dress made in October 2015 and worn to my beautiful wedding 10 October. It was made to be a little different with a coral lining inside the hem, but it can be removed. Size 32 - 36 depending on your body type. It has a zip at the back that can be altered. The ribbon can be changed as well, dress looks great without it too. It sits perfectly I didn't have to pull up the dress even once and the high belt give the impression of a small middle which is nice. I hope it can make some bride as happy as I was on my wedding.
