Nescafe Alegria Coffee Machine

It is as good as new and in excellent condition.

It has two extra red covers that you can change if you do not like the cream covers.

It makes the most delicious coffee.

Preparation of the coffee is simple.

For the black coffee â€“ Espresso, Lungo or Americano â€“ just place your cup in the machine and select your option. For the Cappuccino and Latte Macchiato: add fresh milk into your cup, select your choice and watch the NESCAFÃ‰ ALEGRIA â„® get to work while you take five from the desk. Because the NESCAFÃ‰ ALEGRIA â„® warms and froths the milk in your cup without coming in contact with the machine, it requires far less maintenance and cleaning.

NESCAFÃ‰ ALEGRIA â„® machines are very easy to use.

Refilling the coffee with the NESCAFÃ‰ ALEGRIA â„® canister refill pack, refilling the water tank and even descaling the machine are simple operations that can be performed by anyone!
