Dynaudio HIGH END Focus 110A powered speakers in Ash Black . True Audiophile Speakers. Featuring the legendary Dynaudio Esotec D280 ,soft dome tweeter with its special coating .Dynaudio High end Crossovers and Speakers . The speaker cabinet and build is very solid and the Sound is very detailed and natural and is surprisingly loud for speakers this size .These speakers are also tuned to go very low on the sub frequencies.

Note : These are the Amplified (Powered Speakers). Each Speaker has 2 x Amplifiers powering the woofer and tweeter separately .These speakers are very rare in South Africa and the pics are of actual speakers . Speakers sold as a pair .

These speakers used to sell for over R40,000 . Looking for realistic CASH offers based on the rare Focus model and condition of the speaker or to swop for Dynaudio Focus or Excite Front Tower Speakers only .

Condition 9/10

Due to to the high number of fraudulent calls . I will not include my contact details. Viewing will take place at a secure location .Please no scammers .

Please message me for more details or if you have a set of Dynaudio speakers you want to swop or

even if you want to make a realistic offer. Please leave your full details to contact you.
