Beautiful designed and eye catching Light Imbuia stained Coffee table in a "Kist like" shape with lots of storage. This is a sturdy and heavy piece with antique brass handles, hinges and trimmings. Lid easy to lift which makes opening up very, very easy.

We all have storage problems, especially in our lounges. Newspapers, mail, remotes, keys and those Dvd's lying around can now be stored out of sight but still easy to access. This unique Centre piece Coffee table concept is a must for lounges or living rooms.
