Home / Business Security Alarm System

This alarm system will notify you (by sms and by call) when something happens to your home/Business. It does not matter where you are, as long as you have your cell phone. You can have a peace of mind knowing that you will be automatically informed if someone breaks into your home or business. You can select up to 6 people to receive pre-recorded voice calls and up to people to receive SMS messages (the number of SMSs can be increase up to 150 if you are using a smart phone).

You can arm, disarm and check the status of your alarm system using your phone where ever you are. With its user-friendly design and without the need for a fixed telephone line, it can be installed in different locations including homes, shops, offices, workshops, flats, etc. It is an ideal choice to protect your properties.

It comes with:

- 2 X Wireless Door/Window Sensor
- 1 X Pir Motion Detector
- 2 X Remote
