I am selling my 2013 jin bei haise minibus with 152000kms on the clock. This vehicle has been used to transport school children for the past two years in Midrand. The vehicle is in a fairly good condition all round with a few minor faults. The interior is good with tread plate floors. The engine , gearbox and diff is still very good. Reason for sale is that i am quitting the business. It has a 2.2 fuel injected 4y engine and a five speed gearbox. The price is slightly negotiable and only cash buyers. Call.
