Dji Phantom 3 Advanced (12000 R)

I have for sale my DJI Phantom 3 Advanced. It comes with a spare battery and UV filter for the lens, also a flight case. The drone is in mint condition, has a couple of tiny scuffs on top where I stupidly put the drone in a bag with my DSLR, but they're not noticeable and obviously has no effect at all.

The camera and footage you get with this is unbelievable, it's been amazing to.
