This stunning car was completely refurbished - many badges and trims new from the USA - motor was removed to upgrade to V8 and never completed - fresh 350 V8 motor with auto box waiting to be installed - suspension refurbished - new shocks, rims and good tyres - chassis repaired and rubberized - upholstery complete - new steering wheel - stainless exhaust - propshaft altered for new motor - brand new radiator - original engine and box included - good paint - new rubbers all round - all chromework done - awesome sound system installed - windscreen is cracked - papers in order and up to date. Pics taken after refurb but before engine was removed. It needs the motor and box installed and some trim pieces re - fitted and it is an awesome running classic
