Bronkhorstspruit, which began as a railway station, lies on the border between Gauteng and Mpumalanga. Historically, one of the first serious clashes of the First Boer War took place just a few miles east of the town in 1880. The Bronkhorstspruit dam is today a major attraction due to its being one of the most productive bank angling spots in the country. Thick grass lines the banks of the dam, which serve as great cover for bass awaiting their prey, even if they appear a little menacing to would-be anglers.
