

# Convex Security Mirrors

Location **Gauteng, Johannesburg**  
<https://www.freeadsz.co.za/x-59793-z>

Making Blind corners visible indoors or outdoors. The Security Convex Mirror is the best when it comes to none-electronic surveillance. Convex mirrors are design for security from theft and other crimes, it is also design to see around sharp bends and corners. The outdoor unit is best for reversing and maneuvering in industrial areas as well as a safe drive in awkward road bends and corners by your gate.

Indoor unit sizes including Wall mounting Bracket  
 45CM=R595.08
