This luxury unit is situated high up against a hill and therefore enjoys a view towards the south. The unit is private with ample space separating it from its neighbours. There is a pool a very short walk away and the main resort and its facilities are about 500m downhill. The unit consists of 2 bedrooms - one en suite with double bed, one with two single beds - a loft with two single beds, a spacious kitchen and living area and a large balcony with braai facilities. The unit is fully equipped and is serviced daily. Mabalingwe enjoys RCI Gold Crown status = about as good as it can get. The resort is well known for its natural beauty and abundance of game, including the "big 5" and a white lion breeding programme. You can either drive around yourself or book into game drives and other activities. The recent rains should have enhanced the experience! The resort is located approximately 25km west of Bela Bela (Warmbaths) and thus within easy reach of the Gauteng.

(Note: The perpetual timeshare ownership of the week is also up for grabs - please contact for)
