King Quad 700 year 2007 after market Race Pipe for sale.

Only reason I removed it from my quad was that the game on the Game Farm vanished before we could view them !!! . . . Really a good after market pipe.

My quad produced about 15 to 20% more power and was very responsive, it became a challenge after about 2 hours in the saddle as I became tiered.

Drop me an e mail as the photo will not load and seems to be more than 5Meg !
