I manufacture SOLID WOODEN DOUBLE BUNK BEDS BY HAND. My beds are designed and built by me personally. My beds are built from Industrial Pine and not the soft pine. The industrial pine is far superior in strength and durability. All the wood is sanded by hand. My beds are dipped in oil or painted which keeps them in good form for extended life. I do deliver in the Johannesburg area. Transport costs involved. I also supply countrywide by use of courier services. Mattresses Not.
