Daewoo Matiz 2000 for sale. Recently had a full service, coils, leads, petrol pump, bearings, and brakes replaced. Currently needs the steering wheel to be fastened as well as a Calliper replaced (still works, just rattles a bit). Has 315000 km's but still drives like a dream, no issues and very reliable little car. Engen in perfect working condition and still gets between 15 and 17 kilometers per liter! Gearbox can do with new linkages soon. Has papers, however the disc has expired. Serious buyers only!
